Re: Return of Outdated Reclamation Contracts, Plateau Resources Ltd. (Plateau), Tony M/Lucky Strike Mine, M/017/001, Garfield County, Utah

Dear Mr. Dearth:

In going through our bonding files, we found two old Reclamation Contracts that were never returned to Plateau when new contracts were established. We are returning these contracts to you at this time for your disposal. The first contract was dated June 27, 1979, in the amount of \$25,840. This contract was superceded by a new contract dated October 16, 1980, in the amount of \$140,637.58. That contract was superceded by a new contract with Nuclear Fuel Services, Inc. on January 25, 1990.

If you have any questions regarding these contracts, please contact me or Tony Gallegos.

Sincerely,

Joelle Burns
Minerals Secretary
